

Support Worker - Individualised Services

HelpingMinds – The Organisation

Our Purpose is by providing hope we support our clients, carers and families to live their best lives possible.

Our Mission is to support family recovery and make a positive difference in the community and mental health sector through advocacy, education and the delivery of quality support services.

As a values led organisation all team members act in accordance with our values of Hope, Collaboration, Trust, Integrity and Respect.

Each team member undertakes their role utilising their unique skills and abilities to contribute to our purpose and mission.

Role Snapshot

Guided by our HelpingMinds mission, purpose and values, the position will be providing support, engaging and developing rapport with participants who have a psychosocial disability. In addition, the position will work with participants to source various services as part of the NDIS. Building partnership and community development while promoting the HelpingMinds services within the community will also be a large part of the position's responsibilities.

This role may have duties under the purview of other management team members, however, will ultimately report to:
