ABOUT HELPINGMINDS

HelpingMinds Limited is a long-established non-profit organisation that provides safe and high quality services in the community to support families, carers and people living with a mental health issue. We provide support and hope to live the best life possible.

Our Purpose is to help people see possibilities.

Our Mission is to improve our community's mental health and wellbeing.

HelpingMinds promotes mental wellbeing by supporting individuals, families and friends to recovery.

- We understand families are important to the person living with mental distress.
- We understand every family is different
- We understand the importance of listening
- We understand the importance of connections
- We help build skills and confidence
- We empower hope in you and your family through your recovery journey

As a values-led organisation all team members act in accordance with our values of Hope, Collaboration, Trust, Integrity and Respect. Each team member undertakes their role utilising their unique skills and abilities to contribute to our purpose and mission.

PURPOSE OF THE ROLE

Guided by our HelpingMinds purpose & Values, this role aims to provide services that strengthens a carer's ability and capacity to support the person with a serious and persistent mental illness to live in the community, and to maintain and improve their quality of life, and to promote the carer's/family's own wellbeing.

PRIMARY DUTIES AND RESPONSIBILITIES

1. Family and Carer Support

- Provide a counselling service to young people (0-18) at risk of developing mental health issues and adult carers, including Aboriginal and culturally and linguistically diverse (CaLD) carers.
- Counselling services may be delivered face to face, telephone, e-mail and/or skype (18 + for skype/phone/email sessions);
- Employ both a brief intervention model for working with clients as well as therapeutic interventions where appropriate for the support HelpingMinds offers;
- Establish self-help Support Groups for Carers and provide support to the group once it is established;
- Develop care plans with clients and utilising a strengths-based approach, discuss the issues and impact of mental health and apply goal setting and identifying support networks;
- Provide an information and referral service for Carers;
- Establish, foster and maintain close working links with relevant mental health and other service providers in the area;
- Participate with the other members of the team to develop appropriate services for all Carers and;
- Act as an advocate for clients as required.

2. Education

- Develop and deliver specialised groups and workshops;
- Provide educational workshops and community awareness programs for Community Groups and;
- Provide positive representation of the HelpingMinds brand at seminars, meetings and workshops as required.

3. Community Development and Advocacy

- Promote the activities of HelpingMinds through liaison with local, state and federal government facilities, referral agencies/community groups and other organisations as necessary;
- Develop and maintain close working partnerships with local government and non-government organisations and develop strong referral pathways;
- Establish, foster and maintain close working links with relevant CALD Aboriginal and non-Aboriginal service providers to develop and maintain effective services to family members and Carers and;

KEY PERFORMANCE INDICATORS

- Ensure client sessions are entered into relevant database systems on a daily basis
- Maintain a client and service delivery load of 5 recordable hours a day
- Work directly with Intake Team to ensure relevant documentation is completed prior to commencing service
- Maintain good time management skills, balancing client workload while effectively maintaining administrative tasks
- Provide all reports as required by management
